

Billy Goodman

When not demonstrating feats of great strength, I teach Ecology and A.P. Environmental Science at Passaic Valley High School, a regional public high school in suburban northern New Jersey with about 1300 students. Before teaching, I was a science writer for almost 20 years.

Recruitment

1.17.11: My PLC consists of:

Missy Holzer,
Sonia Lauren,
Daria Luchejko,
Michael Passow,
Rich Pearson,
Ryan Pleune,
Cathy Yuhas,

Jerry Citron,
Denise Kuehner,
KC Sullivan, and
Nuni-lyn Walsh.

Telephone conference scheduled for January 25.

12.07.10: I've had about 15 people express interest in the PLC, but only about 8 have signed up with me. In the next week, I'm going to do two introductory conference calls with half the group at a time, using Wiggo. Wiggo provides a number for a conference call, though it is not toll-free.

The meetings are scheduled for Wednesday December 8th and Thursday December 9th.
